This drawing contains information and design that is the confidential property of Kyner & Co. Aps. Photocopying or copying by any means is forbidden. Transmittal to parties outside your company requires explicit permission from the above.

Tools or other equipment where Kyner & Co. Aps has covered its production costs is Kyner & Co. Aps property, and must be clearly labeled "Kyner & Co. Aps property". It is the responsibility of the supplier that the equipment is fully functional and stored in a safe area, as well as to maintain the insurance obligation to fully cover damage caused by fire, theft and vandalism. The equipment must be returned to Kyner & Co. Aps on request at no additional cost. This also applies if the supplier decides to discontinue production where the equipment is included.
